“I have for the first time found what I can truly love – I have found you. You are my sympathy – my better self – my good angel; I am bound to you with a strong attachment. I think you good, gifted, lovely: a fervent, a solemn passion is conceived in my heart; it leans to you, draws you to my centre and spring of life, wraps my existence about you – and, kindling in pure, powerful flame, fuses you and me in one.

It was because I felt and knew this, that I resolved to marry you.”

Excerpt from Jane Eyre by Charlotte Bronte

Terms and conditions

1. Booking your wedding flowers

1.1 Due to the time required and limited availability, all wedding consultations are by appointment only and weddings can only be booked following a consultation with us. Any quotes provided following the consultations will be valid for 21 days, after this point if a date has not been reserved, it will be opened back up to other customers.

1.2 In order to guarantee the best quality possible, we limit ourselves to the number of weddings we fulfil on any one day. A non-refundable deposit of £200 is required in order for you to secure the date you require. Acceptable methods of payment are cash or bank transfer to account: A K Norris, sort code 20-46-65, account number 33455068

1.2a. Once your Wedding date has been reserved with us and your non-refundable reservation fee paid you are not permitted to reduce your order by any more than 20% of the total cost, you can however look to increase your order should our resourcing allow.

1.3 The balance is due to be paid 21 days before your wedding date. If you fail to pay your balance by the required date, we reserve the right to cancel your order and in the event that we are approached about another wedding or event, they will take priority if payment has been received from them. Acceptable methods of payment are cash or bank transfer to bank account: A K Norris, sort code 20-46-65, account number 33455068

1.4 If you decide to postpone your wedding and we are available on your revised date we will hold the non-refundable reservation fee against your new date. If we are not available on your new chosen date your non-refundable reservation fee will not be returned to you.

1.5. If you decide to postpone your wedding, we will hold your deposit and any other monies paid by you, until your new wedding date. The £200 deposit is subtracted from your final balance. If you have paid the balance in full and decide to cancel outside of the 21-day period before your wedding, we will issue a refund minus the deposit. If you cancel within the 21-day period, we reserve the right not to issue a full refund. Your flowers will be ordered 14 days prior to your wedding date and as such, cancellations that fall within the 14 period prior to your wedding date will not receive a refund. If you cancel in the period 21-14 days prior to your wedding we will refund 50% of the balance, less the deposit.

1.6. As your flowers will be ordered 14 days prior to the date of your wedding, any changes that you may wish to make during this time period will be subject to additional charges.

1.7 Fresh flowers are a living product and are dependent upon weather conditions, quality checks and sometimes influences beyond our control. On very rare occasions we may have no alternative but to substitute a specific flower. If this happens, we will inform you and reserve the right to source a suitable alternative flower. We will do everything within our power to ensure that the substitute flower is as close to the original choice as possible. We cannot guarantee the price of flowers for weddings taking place more than 12 months from the date of quotation, but we will work hard on ensuring that the agreed designs are delivered and you are kept up to date on any amends.

1.8 Occasionally the suggested or requested flower colour will not be available to buy. In these rare circumstances we reserve the right to choose an alternative colour that is close to the chosen colour as possible.

1.9 It is your responsibility to take out appropriate Wedding Insurance that offers you appropriate cover. NORRIS Floristry shall not be liable for any failure or delay in the performance of this agreement for the period that such failure or delay is:

Beyond the reasonable control of NORRIS Floristry and materially affects the performance of any of its obligations under this agreement and could not reasonable have been foreseen or provided against. For clarity this includes any pandemic or epidemic which materially impacts the ability of NORRIS Floristry to complete obligations laid down in this agreement.
